Letter No. M3 C19/44-15 dt. from the Director Local Self Government stating as the proposal to convert the Champaran Municipality into a Town may be done.

4 The Director states that the finances of the Champaran Municipality do not warrant its conversion into a Town Municipality especially as reconstitution has been ordered only from 1-7-1944.

For a Municipality to become a Town Municipality, the population should not be less than 5,000 & annual income not less than Rs 10,000. The population of Champaran is 45,057 while the average annual income of the Municipality is only Rs 8,550/-. Hence the Director recommends that the proposal may be ordered to be dropped.

With reference to your Memo No.L.12658 datel 22-6-1944, on the above subject, I have the honour to state that the views of the Chennagiri Municipal Council were callel for in the matter.

2. It is seen from the recorls that the Municipal Council at its meeting hell on 3-6-1944 resolvel that the Chennagiri Municipality be convertel into a Town Municipality - vide resolution copy enclosel - for reference.

3. The Amillar-Fresilent states that the present council was re-constituted only from 1-7-1944 anl that the question of its conversion into a Town Municipality might be deferrel until next reconstitution.

4. The population of Chennagiri Town is 5,057 as per Census of 1941 anl its average annual normal income is Rs.8,550/-. The income of the Municipality is considerably less than the minimum income - which entitles an area to be constitutel into a Town Municipalityviz , Rs.10,000/-.
